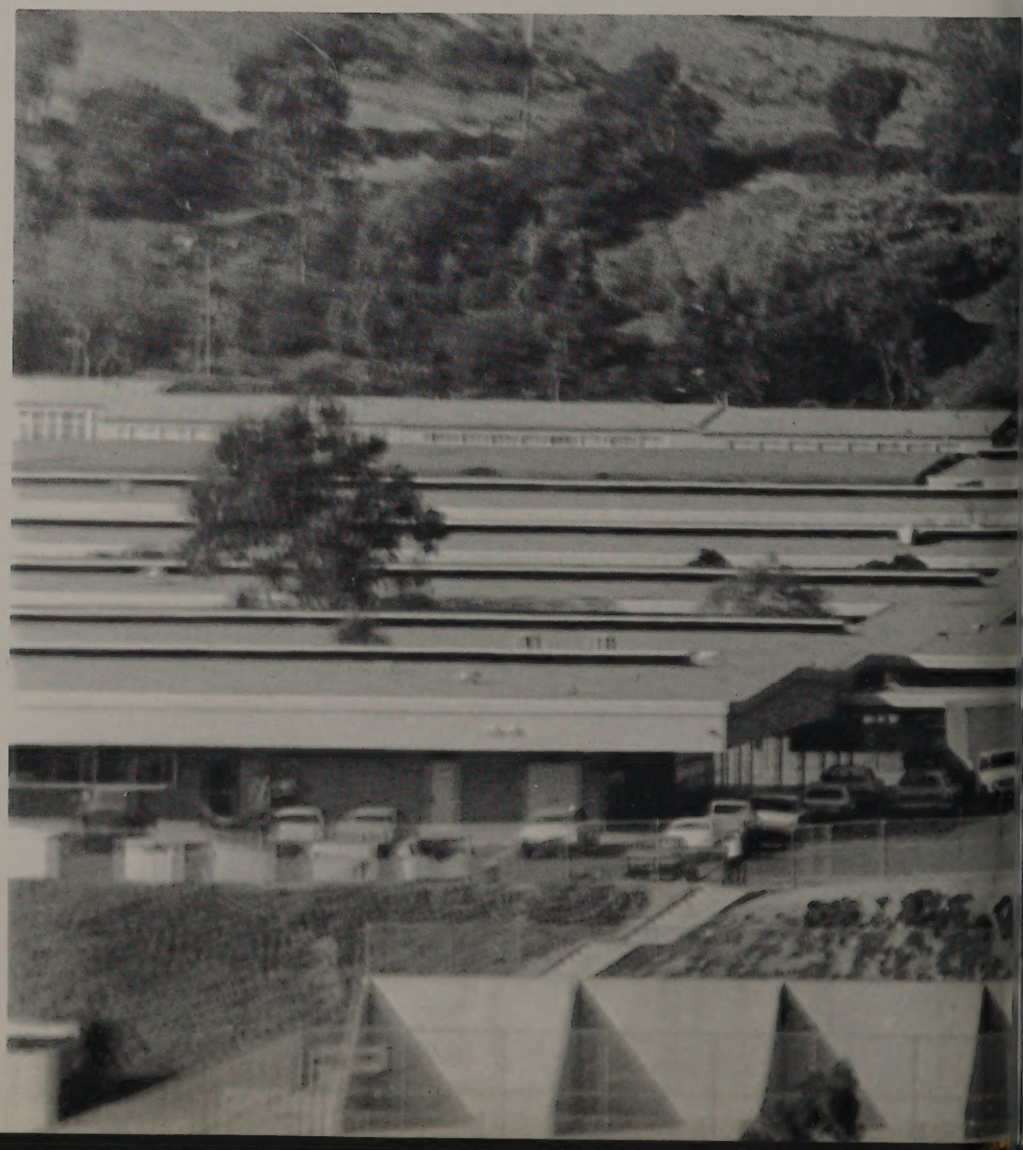
QUETTA JOHNSON

Key 1975 Volume XIII
Samuel F.B. Morse High School
6905 Skyline Dr.
San Diego, California

And thus dawns the day, lonely child of the night and meaning shines its bright face upon the Earth . . .

As a shadow
emerging
from
a world of
shadows
I
stand
alone
my soul
forever
groping
upwards for
illumination.

Therefore I have come to this place,
seeking knowledge,
each day,



discovering new relationships.

As I stumble
towards understanding,
I am an individual who
is striving
alone

. . . but I am also one among many who are striving

together!

In the routine of my day,
I find uniformity being pressed
upon me, shaping me into a
common mold.

. . . Yet I am as unique as a solitary blossom, raising its head above a field of flowering green. As unique as a brush stroke, blazing its way across a blank campus, expressing, through creation, my own identity . . .

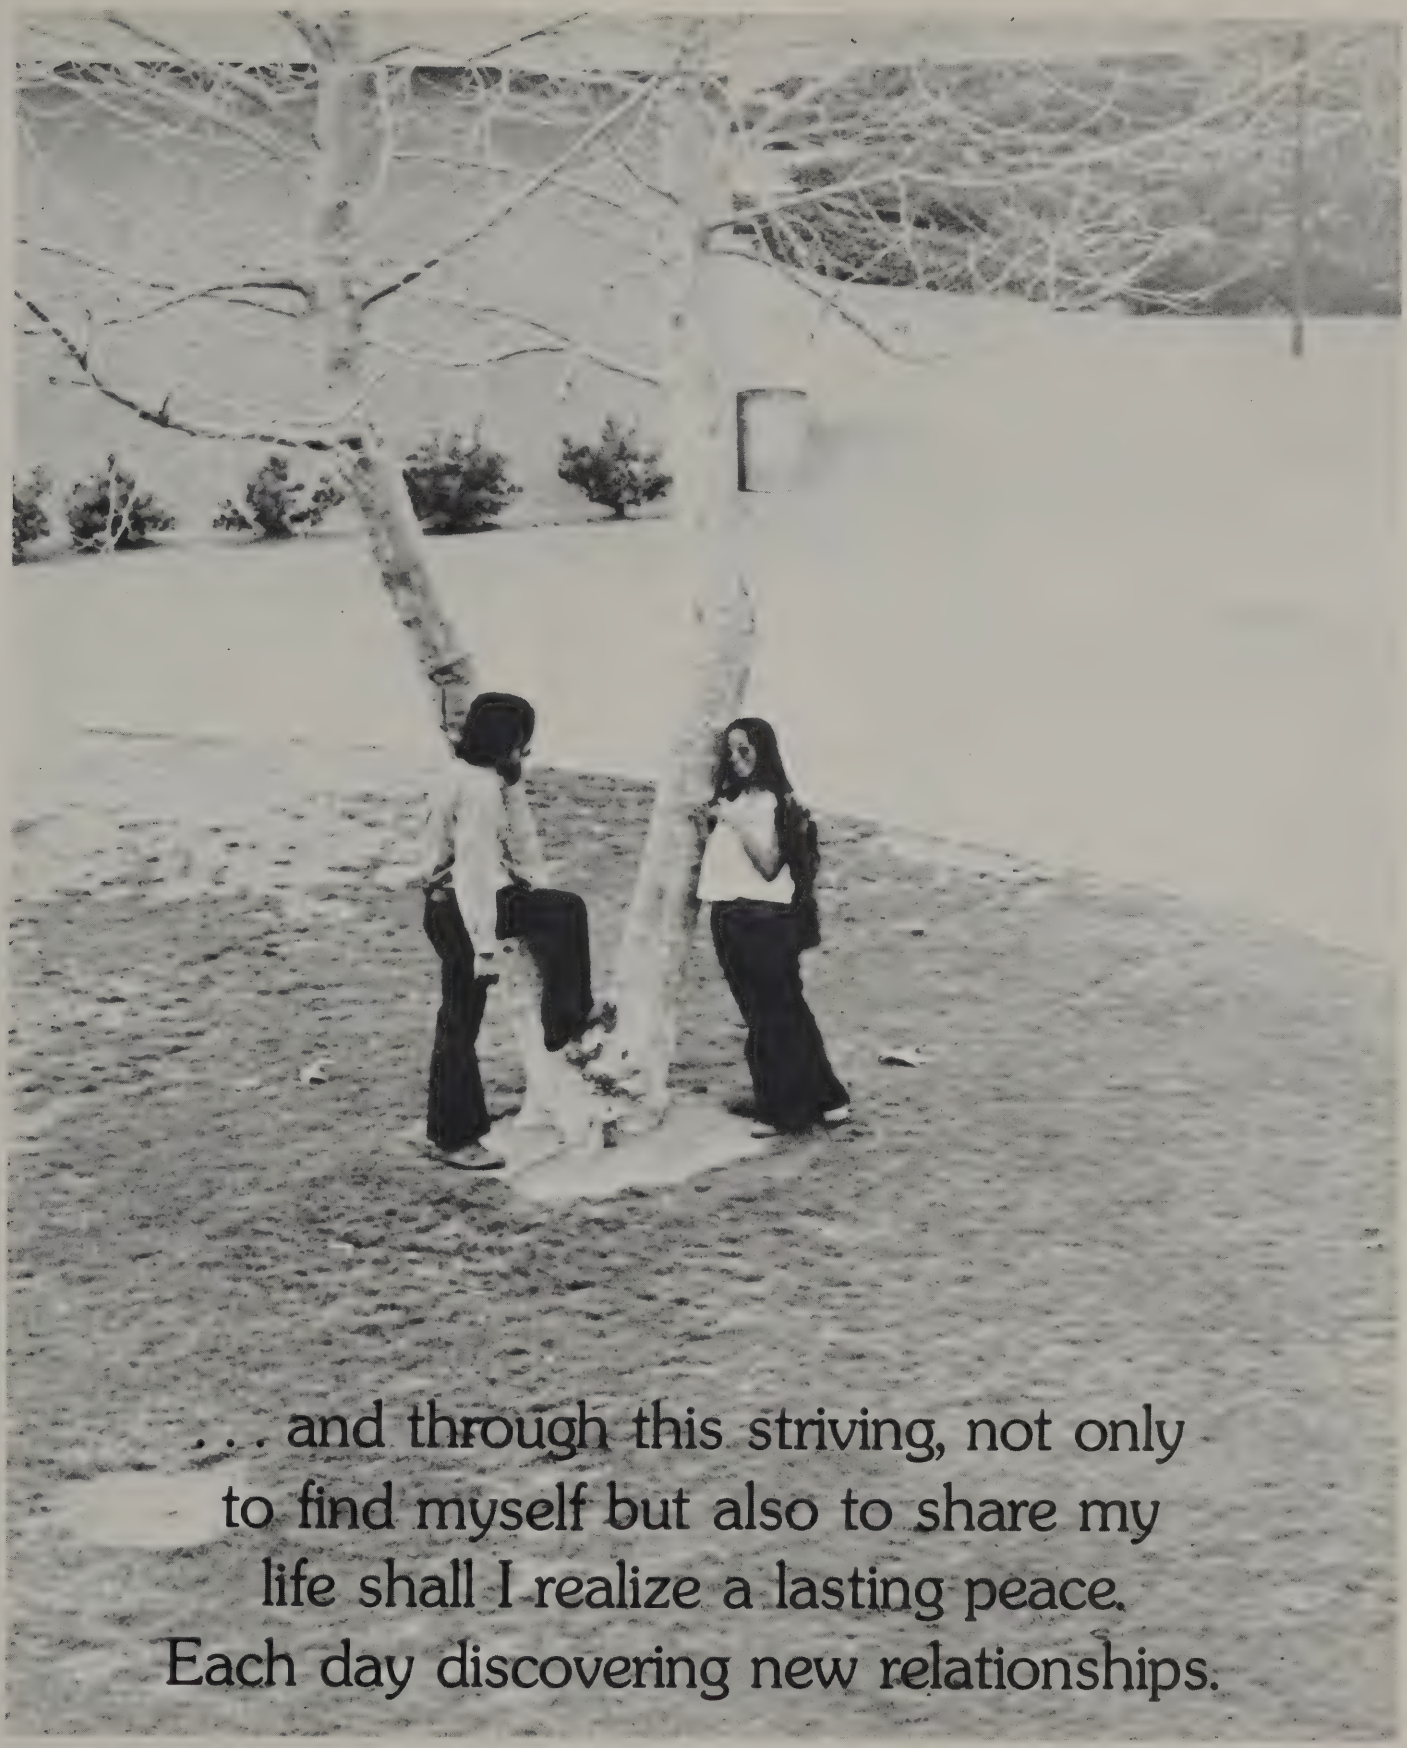
Thus,
enabling me
to recognize
the bond I share with all mankind.
For in their essence, all men are the
same, each striving to add his small
mixture to the solvent of life.

To find my place in society is only part of my never-ending quest for understanding , , , ever groping outwards for new perspectives . . .

And when I am ready, I shall
reach out to others, sharing all
that I
have learned

And . . .

In the process of mind following mind
the impact of my life will be felt
even unto the far reaches of humanity.



. . . and through this striving, not only
to find myself but also to share my
life shall I realize a lasting peace.
Each day discovering new relationships.

A student is a seeker of life
And the Understanding of its Mystery,
Who seeks through studies and through
His relationships with others to find
A meaning for all that he sees.
Always Wondering, dreaming, creating
A New World as he builds his own.

You, Friend

A bit of you
stiched into me-
the needlepoint is made.
Your picture sewn
in hues that time and
loneliness can fade.

But print it deeper
let it sink
away within myself
till the day when it
is rolled away
and placed upon a shelf.

Another day,
another hand
will make this spool unwind
to try to match
the softness of the scenes
where you're entwined.

Yet the weaver on
my loom called Life
can rarely hope to find
such colors as
you've woven through
the patterns of my mind.

Spirit of '77 Lives

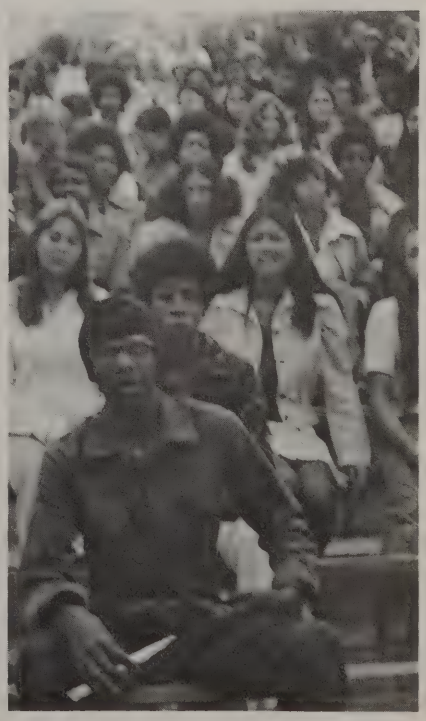
ASB shows their spirit

Thornton greets class of '77

October second was a big day for the class of '77. Sophomore orientation was held during second period in the Amphitheatre. The students showed a great deal of enthusiasm towards their new school and saw the difference between Junior High and High School.

They showed they were no longer boys and girls, but young men and young women. During orientation the ASB Cabinet, Mr. Thornton, Mr. Frey and the sophomore class advisor, Mr. Adams, were introduced. The sophomores sang our Alma Mater for the first time, and showed the true spirit of Morse Tigers.

Sophomores sing our Alma Mater



Reid Leads Spirited Sophomore Class

Our Sophomore Class Officers: Treasurer: Bobbie Reardon, Secretary: Denise Carroll, Vice President: Wendy Womack, and our fine President: Lorretta Reid.

The class of '77 started the year off with a lot of school spirit and enthusiasm. They participated in many activities and helped promote school spirit.

To lead the sophomores through the year were President: Lorretta Reid, Vice President: Wendy Womack, Secretary: Denise Carroll, and Treasurer: Bobbie Rardon. The sophomore class for the first time really took time out to ponder the future and find pleasure in being a student at Morse High School.

O.K. I'll trade.

We study and learn
To make our lives better.
We plan what we're going to be
To go our separate ways.
Live our lives in wealth and happiness
Our Lives will all be different,
Some will go to college and others
going through another way.
So you see, another year has passed,
another year will come,
and by this time next year,
we will be going out into this world,
making it for ourselves.

Spirit of '76

This year's Junior Class was really together. They had a lot of good times. One of their activities, a big success, was the Haunted House. Everyone had fun, including the people who helped set it up.

Jim Schultz, from Campus Life, did the make-up for the crew. They really appreciate all he did for them. Cindy Phillips, Junior Class President, is another person to be thanked, she was the main source of getting the Class of '76 organized.

Academic Competition Designates Six Valedictorians

Who says valedictorians have to bury themselves in books? Whether speeding through the mile or cramming for a calculus test, **Richard Allen** is a good example of a well-rounded intellectual. He represents Morse as a National Merit Scholarship finalist as well as being active in Lettermen's Club, Independent Studies and a member of the Varsity Track and Cross Country teams for three years.

Displaying leadership typical of the high achieving student he is **Rosben Gutierrez** is the Battalion Commander of the Morse ROTC. He has achieved such distinctions as the coveted Legion of Valor Bronze Cross of Achievement, CSF Sealbearer, Varsity Letterman in Wrestling, Independent Studies student and a member of Model U.N.

Sincere, friendly, hard-working **Kathy McKindra** is a model business student. Kathy is involved in the Independent Studies program as well as the Regional Occupational Program for business.

For being a capable musician, brilliant mathematician, talented gymnast and dependable leader, it is no wonder that **Loretta Rosales** was voted Most Likely to Succeed by her peers. Loretta has taken an active part in student government as Senior Class Secretary and as a member of Senior Committees. To add to her credits, she is also a CSF sealbearer as well as a member of Independent Studies, Les Tigres and GAA.

Despite a busy schedule and her involvement as Editor-in-Chief of Key Annual, member of the tennis and track teams, and Les Tigres, **Faye Schory** still manages to excel academically, earning such merits as National Merit Scholarship Commended Student, CSF Sealbearer and other related academic awards. She is also a member of the Independent Studies program. Aside form studying hard to keep up her strong GPA, **Susan Struck** has found the time to work as Business Manager for Key '75, Model U.N., and member of Senior Committees. She has earned the distinction of CSF sealbearer.

The 1975 valedictorians have each maintained a 4.00 grade point average throughout high school.

Seniors Prove Leadership

Each year Morse's senior class has been unique, and this year is no exception. When it comes to commending the performance of the Class of '75, every senior is deserving of praise—especially the Senior Class officers. Their coordinated efforts plus the individual efforts of each senior, secured an atmosphere of friendliness and spirit, especially with the rededication of the Senior lawn.

With the patience and motivation from "Rita B", the Senior Class succeeded in making the best of their final year in High School.

The new Senior Planning Account was introduced this year, giving seniors a sure-fire way for budgeting money for senior expenses. The Class Advisors demonstrated a record of leadership and accomplishment, providing the resources needed to cut through any "red tape". The Class of '75 is truly indebted to an extremely valuable group of class leaders who labored at the infinite tasks involved in guiding a special kind of class . . . the Class with class!!!!!!!

A time of remembering,
honoring
looking forward
A time of joy
A time of standing, in one's own light
A time of completing,
as well as beginning
And in looking back
over the three years,
there is only amazement
that all the tears,
joys,
the uncertainties,
the experiences of
life,
dissolving one into the rest
really only seemed
a moment

-Faye Schory-

RICHARD ALLEN

I was active in Cross Country and Track. I will remember running my guts out for Perry and Cerveny, trying to keep up with "the robot", Government with Arthur "Ditto King" "Lord of the Flies" "THAH PEEPLE" Patoff, Grubbin' in German, fun in I.S. with Don, Gerald, Terry, "Z", Michiko, Faye, "Fritz", Blane, and all the other goofs, the College Tour with Uncle Ron, the "Terrible problem (Debbie, you're such a tease) "and whatnot", good friends like: Brian Fryhling, Don Hacklander, Tom "Merc" Michaels, and Eddie Verduzco, but most of all lovin' Louisa, Rochelle and Gloria (Sorry Don, I couldn't help myself). I plan to go to college and major in Math (or possibly Beachcombing I haven't decided which!)

BENITA JOYCE AMOS (Betha)
I will remember the fun I had in my sophomore year on the track team and when I went on Senior Ditch Day with the seniors in my Sophomore and Junior year. I'll remember clowning around with Sharon Jones, Leona Hamphill, Debi Abbott and my crazy but dear cousin, Sandra Walker. I will never forget senior ditch day, in my senior year, when we got kicked out of the zoo and all the fun we had. I had lots of fun being on the cheersquad my sophomore, junior and senior years here at Morse. I was finally relieved when Cookie Wallace was on the cheersquad because there was another person like me. I will always remember my good friends: G.H., K.H., S.W., D.A., S.B., C.W., K.J., T.R., S.J., L.H., R.C., M.W., T.T., R.B., A.B., J.K., J.S., E.S., C.D., J.W., E.A., K.E., M.C., D.D., J.B., J.M., P.S., R.M., and I will always remember Ricky Burnett. I plan to get an apartment and go to a Junior College when I graduate. I had lots of fun in all my years at Samuel F.B. Morse High School.

TONY ANTHONY
What I remember most is "senior ditch day" when we all got kicked out of the zoo and went to the park, where everyone had a good time one way or another.

TERESA ARCE
I will always remember the fun I had with my friends M.N., C.R., C.I., and S.S. with A.B. and ditching a couple of times with C.I. I will never forget being in pep club in the 10th grade and working in the attendance office. One thing I will always remember is being in the Dispatch and interviewing people for the student express, the column Kim G. made up and sharing it with me and Mari N. I plan to go to college at City or Mesa and to be married in the future.

NADINE ARNOLD
I'll always remember my 2 ½ years at Morse. Especially my Junior year in Mrs. Scott's class with my friends Sheila Z. and Venita V. with their crazy selves. I enjoyed my senior year too, mainly because of my love. My new love is Melvin Dugger and I intend to marry him whenever he gets back from overseas. I enjoyed my senior year because of all the activities we had. I'll never forget Morse High School.

NED ARMOUR
I remember when I first came to Morse and lettered in Track as a sophomore. As far as sports in concerned, I enjoyed my junior and senior years too and the women. In my senior year, our team almost went to CIF, but Castle Park stopped that.

TONEY L. ASH (Toney Lamont, Hairbear)
I will remember the College tour and "choo-choo", Urban exchange, ROTC, and the Queen of 75, Coach Anderson and Varsity Football, BSU, C.B., L.E., A.L.S., S.A., D.C., D.L., D.M., C.W., M.A.C., J.R., and especially Deborah Edwards, The crunch bunch, Rita B., Ditch Day, the black search, the parties in Diego, ROTC Camp, all the young ladies, fat, short, tall, small, fine and unmentionable, Mrs. Cole and Niedermeyer, Morse, the canyons and Diego, days of walking and days of driving. Most of all I will remember senior year as my best year. Class of 75. Whittier class of 79!

STEVE ASHLEY
I was active active in Varsity Baseball. I'll always remember football and basketball games; my friends, K.G., L.S., S.S., K.C., R.K., R.M., M.P., K.K., along with the rest of the circular lawn people; the Friday and Saturday night activities under "the influence"; parties and other things and people worth remembering. I plan to to to college but am undecided on my career.

ANNETTE BAILEY
75 wasn't no jive and it was dead but came alive. My favorite memories were 1972-73 the great demonstration, 1973-74 women's track team was the best because I was on it. I enjoyed Morse from the beginning to the end. This is the year that my Mother has been waiting for. It finally came. Goodbye to E.R., L.H., C.J., S.B. and goodbye to my best friend Sylvia Brookins . . . In 1975 I fell in love with Ronnie J. Robinson. ROTC in 10th was good. Bye to all the silly boys at Morse. My time is just about over!

CAROL BAKER
I was active in Senate, Annual Staff, Senior Prom and Baccalaureate Committees and will always remember my three years at Morse. Lunchtime gossip sessions with A.G., D.E., D.G., D.R., G.C., M.D., and A.C. I remember the ASB Ball in the 11th and my escort M.S. I also remember graduating in P.E. from ½ situp in the 10th to 20 situps in the 12th. I am looking forward to the Prom, After Prom and Grad Nite. After High School, I plan to attend college, get married and have a house full of kids.

Hope to become store manager, make the buck and make life the happiest possible for Donna.

ARTURO BARRIOS

I had alot of fun with people like J.F., V.V., S.V., A.F., L.L., C.D.R., M.F., M.S., A.T., the cool teacher Bob, J.J., T.S., F.F., and the rest of the crazy people. I'll always remember days with that special person that came to me in May 1974, Maria Garcia. I was active in Soccer for three years and one in tennis and the rest of the time, goofed around with "los Vatos Locos". I intend to go to Mesa and work, then if we make it, marry my "carp".

STEVE BECK
I will always remember all my friends at Morse and the good times we had. I'll always remember good teachers like Mr. Meeh, Mrs. Dawson, and all the coaches (even Coach Shacklett, thanks alot!) I'll never forget all the good times spent with Carol Calkins and all the days I spent being jealous. I'll never forget everybody teasing me about being an entertainer or a dentist. VICTOR MANUEL CHAVEZ
My sophomore year was probably my best, academically speaking: I joined the intramural volleyball team, it was the first time in my life I had a cast set on my leg, by playing football in the gym. My junior year was probably my craziest and best, especially in my Hospital class: going to L.A. and almost going to the wax museum instead of the CIF championship game in soccer, but then the class had its good points like eating breakfast at Centre City Hospital for free only to get busted in the end.I lettered in Varsity Soccer and goalied in the CIF game. It as fun going to the mountains with the team and conquering the art of walking on water that day. I had a delightful time on summer college tour, if you know what I mean kid! I hope my Senior year will be the best. My ambition in life is to follow a career in medicine. Until we meet again, class of '75.

I'd also like to thank my mom for helping me through the bad experiences that I encountered this year, and just being there when I needed her. I leave this year having experienced the two strongest emotions - love and death. From Kenny I learned the truth of love and sharing, and his death, senseless as it was, brought me pain which taught me to be strong and to cherish life while it's still with us. My plans include a trip to Europe this summer. Then college to major in psychology, work for my degree, later become an airline stewardess, find Mr. Right and someday settle down. Most of all I want to be free and enjoy life to its fullest.

As for the 11th grade, things were still happening, all those good times with B.B., K.B., T.S., A.V., D.R., and all the others. As for 12th grade, things started to slow down. A fence was put up to keep us in. Drag! But there were still good times with A.V., S.G., C.S., R.B. and so on. Thanks to J.T. and P.W. for all the rides to and from school. CYNTHIA KEARNEY
I remember 10th when I was in Pep Club and thought I was in something big when we would cheer the football team on to victory and the games we lost. Coming home from the game, nobody would say a word and it was quiet the whole time. In 11th, I was voted into Drill team and Marching Band and going to San Mateo and placing third. I'll never forget first day of 12th when me, S.T., S.Z., A.N. and V.V. went to Jack in the Box and got stranded and took three wrong buses back to school. I plan to attend SDSU and Major in Journalism or Probation Officer and spend my life with Gregory Moore, loving him.

VICKI LYNN KENDALL
I was active on Varsity Gymnastics and Swim teams in 10th and 11th and I remember the excitement of placing at All-City finals and going on to CIF County Finals. In 12th, I was active as Varsity Songleader, ASB Commissioner of Activities and on Varsity Gymnastics. I am thankful for having such good friends as Vicky V. and Ruth who have had a great deal of patience and understanding with me and the lunchtime gang on the circular lawn (P.T., M.G., D.V., W.P., D.L.); "Peyton Place", the "hoods": meeting J.C. and going to Disneyland, the fun and embarrasing moments of cheering at games, misunderstanding with K.M. and especially the 71-72 Homecoming where it all began with Phil (3 yrs.) I'D like to thank the football and basketball teams for two very fine seasons. Special thanks to K.M. for everything, I plan to live and learn.

DEBRA KIDD (Kidd)
I had plenty of good times at Morse plus a few bad ones, but what they all add up to is "I'm out!" Friends will go with me in great memories: S.G., A.J., S.J., N.D., T.S., S.S. etc. all the times in hockey with M.W. and the gang and softball times. I hate to leave the pals but I'm glad to be going. My future plans are to go into International Agriculture and to travel.

JERRY KENNEDY III
My high school life started with a big bang. I played J.V. Football, J.V. Basketball, joined Letterman's Club and was an ASB Senator. I played Varsity Basketball in summer league, worked at PWC and later went to play Varsity Football where I played tight end until I hurt my knee which gave me hell the rest of the year. I made good grades in 11th and remember Dot, Uncle Russ, old man, Ann Maria, Pam and Lesa Goodrum. During the summer, I met Kathy Johnson, Lisa and a few more good friends, MAC etc. That summer I met Mayde Wong, the most exciting thing all summer. We went on the college tour and I made my kill at Whittier, where I gave her my ID bracelet at the Whittier theater, at Cal Lutheran I first kissed her, also choo choo train, truth or dare, spin the brass monkey bottle, Pepperdine, Westmont, Loyola-Marymount, Pizza Hut, the Senior Prom where I went as a junior with Dorothy Johnson, My promise to Mayde Wong and our breakups to makeups . . . also my favorite teachers, Mrs. Cole, Coach Anderson, Miss Swanson, Coach Henzie, Frankie H., Gary T. and Andre R.

NIKI KRAFT
Remnants surround me. Some people still call me "Buttons" Faded blue and gold pompons hang from my windows and above them are all my beat ribbons from the last three years. As I open my closet, several batons fall out. Soon I will be leaving here and no one will ask me if I have anymore mice (Science Fair leftovers). No more blisters on my feet after parades. I'll be leaving my organ and piano behind; good thing I can take my castenets and harmonica along. Never again will I sit at a typewriter writing articles for Dispatch or walk down a ramp as a model in a fashion show. I'll never forget how to swim butterfly or backstroke (although I still can't swim free) I'll never teach 2nd, 3rd or 6th grade again. I won't eat my lunch in the faculty lounge with Mike again or run off dittoes or grade papers at recess with him either. I'll never say "Good Morning, this is KMHS TV-3" or "This has been Niki Kraft with Campus News." But looking at the bright side, when I leave for college I hope to see most of the friends I made at Loyola-Marymount University last summer when I took a psychology class there. Of course, at college there won't be anymore Gifted Children's Conferences, Foreign Language Field Days, Math Field Days or Science Fairs, but there'll be substitutes. By then I will have served my term on the Broadway Youth Council and the Seventeen Magazine Youth Advisory Board but there'll be other things.

Cross Country Takes to the Hills

Tom Michaels

We finally did it!

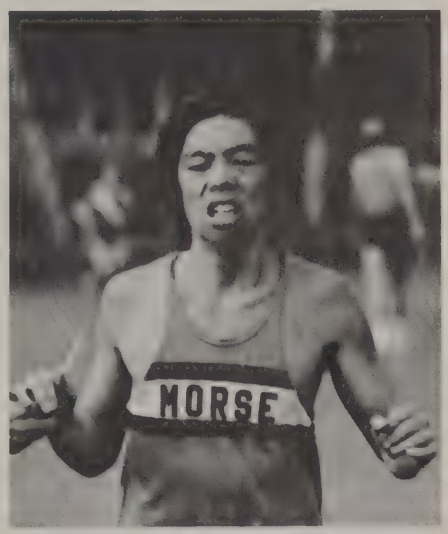
This year's Cross Country team finished third in the league with a record of 3 wins and 2 losses. Morse's top 5 runners are Tom Michaels (sr.), Richard Allen (sr.), John Byers (jr.), Eddie Verduzco (sr.), and Jon West (sr.). The number one sophomore this season is Stan Terusaki, with Dave Hunt coming in second.

The team has a new addition this year. Coach Jim Cerveny from Bell Junior High has joined the Morse coaching staff. Coach Cerveny, who is often seen jogging at Blacks beach and trucking through the hills of Balboa Park, says the main goals of the team this year is to make CIF, to improve personal times each week, and to run as a unit.

At Southwestern, Morse took 4th place, at the USIU invitational Morse placed 3rd, and 2nd at Mt. Sac. Morse Cross Country unexpectedly went to CIF and surprisingly took 7th in the county.

Tom Mackin makes his time.

Tom Mackin, Stan Terusaki and Keith West take a rest.



Stan Terusaki has the Tiger determination.

This year's tennis team was composed of 9 returning players from last year. With 11 seniors, 7 juniors, and 4 sophomores the team struggled against many of the top schools in San Diego. With a final score of 2 wins, 1 tie and 5 losses the Tigers stepped out gracefully.

Four sets of singles and doubles went to the individual CIF tournament. Mrs. Manlove was the coach for the team, with Mrs. Helsper assisting.

Varsity

The 1974-75 Varsity Basketball team is short on size but made up for this in hustle and attitude. The team is lead by an outstanding senior, Sharon Jones. Also contributing to this year's team (and to next years) are two sophomores, Marcella Butler and Linda Thompson

The 1974-75 Junior Varsity is having a very impressive year making the hopes for next year's Varsity team look very good. Ten sophomores are among the players responsible for this year's success. Glennie Applewhite, a junior, gives the inexperienced team the leadership they needed.

The badminton team has worked hard this year. Only 3 of the 22 young ladies out for the team were returning from last year. At the time of this writing, the team has played two matches and won both of them. Three are remaining to be played.

Hopefully we will take no less than second place in the Eastern League. We lost our number one singles in the Crawford match as Vicky Velasco broke her ankle while playing a varsity match. Left with only two returning players, the team went on for a good season.

The volleyball team, coached by Ms. McCarthy and J.V. by R. Olson, had a pretty good year, considering that there were very few returning players on the Varsity team, and J.V. was completely new. They were still strong even though they were an inexperienced young team. The Morse Tigerettes came up against the following schools:

The Morse Swimming team showed great dedication in representing the school this year. The dedicated few of the swim team gave their free time to workouts and strenuous practices. With the returning members and the hope of recruiting more devoted Tigers, the Morse Swim team, coached by Mr. Les Thurman and Mr. Gary MacDonald, looks forward to a great season next year.

The gymnastics team this year began its season with three teams: Beginning, Intermediate, and Advanced.

The Beginning team is entirely new this year. There are some promising sophomores for future years. The Beginning and Intermediate teams performed compulsory routines, but the Advanced team, the strongest of the three, performed optional routines, routines that they had created themselves.

At this writing, the teams had not yet competed, but there were high hopes for a good season.

The Men's Tennis Team, coached by Coach Arevalo did surprisingly well with most of last year's players returning. The team also picked up a number of new players including Leo Cabrera a sophomore and the number one singles player. This year's Varsity team is making a run for the league title and they certainly have the talent to do it. Some of the outstanding players of the season are Donald Cabrera, Randy Tamayo and Rob Young. With so many players returning next year, the tennis team should do great things next year.

The coed track team is new to Morse this year. The men won their first meet against Castle Park 66-60. All the races were close. The score was tied until the two mile event was won by Tom Michaels at a time of 9:55.5. Then, with a spectacular finish, Bobby Ervin took the mile relay to win the meet for Morse in a time of 3.34

The opening meet for the girls was the Tiger Relays. The girls placed second overall, with outstanding efforts from Shirley Griffin in the high jump and Debra Pounds in the running sprints.

The head coaches this year were Coach Cerveny and Coach Ludy. Coach Cerveny is new to Morse and was helped to the best of his ability in all areas: Distance, sprints, shot putt, long jump, pole vault, etc. for both men and women. Miss Ludy helped the girls in their events sharing the track skills she has acquired over her years of coaching.
The coed track program allowed both the men and the women to share experiences and lessons for the entire season, and the building blocks for next year's Track Team.

Other outstanding track athletes were John Key, Rhoda Martin, Ned Armour, Denise Becton, Michael Patrick and Eddie Verduzco.

Women's Field Hockey

The Women's Varsity Field Hockey team was the strongest ever. They worked well together, showing their stick and passing skills, proving to be about the strongest in eastern league. This being only their third year in competition, the team defeated Bishops, a well known private school, 3-0. '75 was an enduring year and will be remembered by all the sticks, obstruction, advancing, and shoving done on the field.
The Junior Varsity team consists of many beginners. With plenty of effort and teamwork they may become just as successful as the Varsity teams.

LEAGUE GAMES

This year's J.V. football team was faced with last year's undefeated record. Despite a new offense the team maintained a 6 and 3 record. Coach Arevalo, Coach Jones and Coach Randall put together a good defensive unit this year that gave the Tigers a 3 and 2 record in the Eastern League. Returning juniors Monroe Billingsly, Mitchell Thompson and Ron Harris helped inspire the J.V. team. Other players such as Ray Berry, Gordon Peterman, Jerry Brooks and Dana Scott appear to be good prospects for the next Varsity Team.

Vista stops Morse in season opener

The Tigers, young and inexperienced, promoting last years' J.V. Eastern League champs, are determined to improve on last years' record of 3 wins and 6 losses. Underrated by the media, Morse is predicted to finish as fourth in a tough Eastern League, of which three teams are ranked in the top ten of the county.

Prior to the season opener, the Tigers defeated Escondidio and Monte Vista in scrimmage games, but Morse seemed not quite ready to handle an experienced Vista team. The Panthers, ranked as high as second in the county, and favorites to win the Avocado League, proved tough competition as they defeated the Tigers 34-13.

A crowd of more than 6,000 in Vista Memorial Stadium watched an exciting first half as both teams scored twice. The Tigers received the opening kick off, and proceeded down field into Panther Territory, slowly pushing the Vista defense more and more. Finally after several plays quarterback, Raymond Mason ran 10 yards to the end zone to put the Tigers on the score board first. The PAT failed and the score remained 6-0.

The Panthers received possession of the ball and moved downfield. Vista scored on a two-yard run, to tie the score. The try for the two point conversion failed and the scoreboard showed 6-6. Later, a costly turnover by the Tigers, turned into a 50 yard run touchdown for the Panthers. The conversion failed again and so Vista led 12-6.

Morse, still determined and unwilling to give up, fought back. The Tigers moved the ball down to the Panther 11 yard line. With less than a minute remaining before the half, Mason handed off to running back John Strong, who powered his way to the end zone, to score. Mason kicked the extra point and the Tigers led 13-12 at halftime.

The second half began and the momentum which the Tigers had slowly shifted to the other side. Turnovers proved disasterous for the Tigers. as Vista, using its strength, size, and ability, quickly took advantage of the situation. The Panthers pulled away as the Tigers were out scored 22-0 in the second half. Though the Tigers lost 34-13 to a strong Vista team, it became more experienced and stronger as it pushes for its pride and spirit.

Tigers post first win- defeat Santana 19-13

A 44-yard fumble return by Ernie Strong and two touchdowns by John Strong in the first half helped the Tigers post their first season victory over the Santana Sultans. The Sultans, after defeating the Montgomery Aztecs 14-6, entered the game as slight favorites. Yet, the role of the underdog seem quite strange for the Tigers, as Morse cotinued its domination over Santana with a 19-13 win.

In a night game played at Mount Miguel, the Tigers drew the first blood when Ernie Strong picked up a Fumble and ran 44 yards to the end zone for the touchdown. The try for the extra point failed as the Tigers led 6-0. The Sultans continued to battle the Tigers, scoring on a 7-yard run, to take a 7-6 lead. But the Tigers, reluctant to give up, pushed downfield toward their goal as Morse quarterback, Raymond Mason, handed off to John Strong who rambled 31 yards to put the Tigers ahead 12-7.

Santana strives again to get back on top 13-12, but on a 6-yard run by John Strong and the PAT by Juan Franco capped the final scoring by both teams as they battled in a scoreless second half, preserving a 19-13 win for the Tigers.

Tigers, Warhawks, Battle To 6-6 Tie!

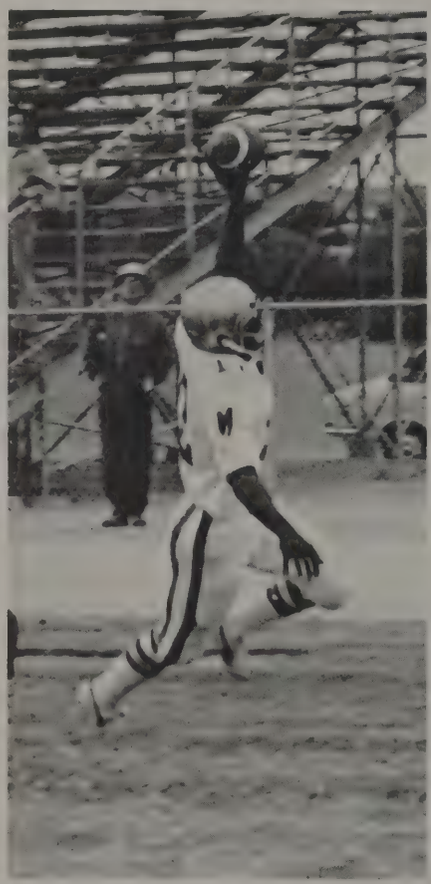
Two 15-yard penalties, some timely gains, and a touchdown with 10 seconds left helped tenth ranked Madison pull a tie from defeat. The Warhawks left their field, dismayed and stunned as the Morse Tigers surprised the Hawks with a 6-6 upset tie.

For three quarters, the two teams played a dull football game on a chilly, overcast day game at Madison High. Finally, in the fourth quarter, Morse pushed Madison back to the one-yard-line on a punt, held and got the ball back after a hurried punt to the Tigers' 31.

Eight rushing plays later, quarterback, Raymond Mason, gave a good fake up the middle, raced to the outside and scored from three yards with seven minutes left to play. The try for the PAT was wide and the Tigers led 6-0.

When Madison High was halted on four downs, Morse started a drive that appeared dentined to run out the clock. But, the Warhawks received possession of the ball with two minutes remaining.

Outstanding defensive plays by the Tigers were diminished by two 15-yard penalties, a piling on penalty and unnecessary roughness. Madison scored with ten seconds left to tie the score. The Tigers' defense blocked the PAT, upsetting the Warhawks with a 6-6 tie.



Quarterback Raymond Mason runs in as Morse takes a 6-0 lead.

Stun CIF Champs, Kearny Falls 14-6!

A fired-up Morse contingent shocked Kearny High, the defending CIF champions, 14-6, ending the Komets 15-game winning streak, and 16-game unbeaten string. The Komets, fourth ranked in the county, entered Tiger Stadium to oppose a fired-up Morse High team. The Tigers, now 2-1-1, were boosted by high spirited fans.

Morse struck first when a fumble recovery, by Carl Davis at the Kearny 15, set up a three-yard run by Ken Murphy to put the Tigers on the scoreboard first. The try for the PAT failed and the Tigers led 6-0.

The Komets received possession of the ball after the kickoff and several plays later, Ned Armour intercepted a pass and returned it 25 yards to the Kearny 5. Then on the preceding play, John Strong ran five yards to the end zone for a Morse touchdown. Strong again, bulled over for two points to increase the Tigers' lead to 14.

Kearny tried to retaliate when Kearny quarterback, Don Norcross threw a 24-yard touchdown pass, to cut the Tigers' lead. The kick failed and thus the Tigers led 14-6 at halftime.

During the second half, the Morse defense held the Komets scoreless, getting outstanding efforts from Brad Bailey, Clarence Irving, Carl Davis and Kevin Coker. Bailey and Irving, both having sacks at crucial times. A last minute comback by the Komets ended in an interception to preserve a 14-6 victory for the Mighty Tigers over the defending CIF champions, the Kearny Komets.

Colts Rally To Jolt Tigers, 32-28

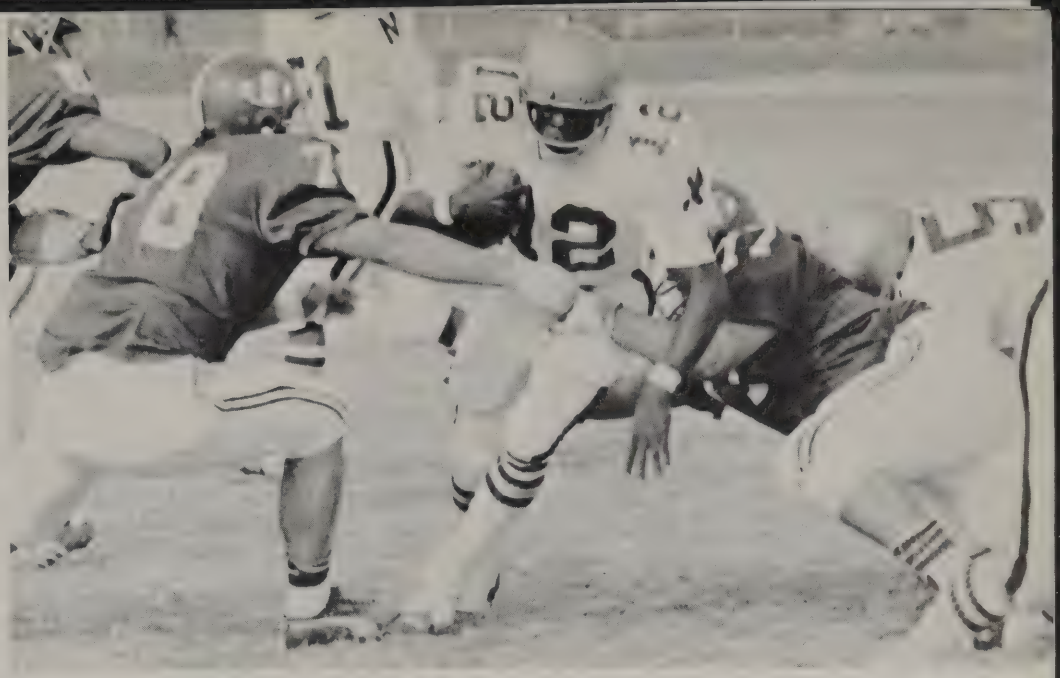
A 24-point surge by the Colts of Crawford High in the fourth quarter erased a 22-8 halftime lead held by the Tigers, as the two teams opened their Eastern League season at Morse High.

The Colts, coming into the game evenly rated with the Tigers, quickly felt the power of Morse's offense and defense. The Tigers, with 2 wins, 1 loss, and 1 tie, exploded in the first half to take a commanding 22-8 halftine lead.

Morse held the Colts scoreless in the third quarter with fine defensive efforts.

Late in the fourth quarter the Colts scored, cutting the Tiger's lead to 22-14. Quickly the Tigers regained their margin when John Strong, scoring all four touchdowns of the game, ran a ninety-two yard kickoff return to increase the Tiger's lead 28-14.

Suddenly, two onside kicks and an interception by the Colts destroyed Morse's lead. The Tigers found themselves behind 32-28. The Colts converted an all three turnovers to push past the Tigers 32-28. Though losing was heartbreaking, Morse stood tall, with its spirit and pride still high.



Morse Blitz Cardinals With 40-0 Win!

The Hoover Cardinals fell to its sixth straight shutout in as many games as the Tigers following a dissappointing loss to Crawford, blitz the Cards 40-0. The Tigers dominated the game from the very opening minute to the end. Morse jumped out to a 20-0 lead in the first quarter on runs by John Strong of 1 and 47 yards, and from Kenny Murphy of 30 yards. The second quarter went scoreless, leaving the score 20-0 in a game played at Madison High.

In the second half, the Tigers reeled off another 20 points as the defense kept the Cardinals silent. John Strong and Jeff Applewhite scored on runs of 45 and 30 respectively and Mateo Logan threw a 25 yard touchdown pass to Delvin Barnett to cap the final scoring of the game.

The Tigers, in third place with a 1-1 league record now faces tough competition in the next three games in its battle to stay in contention for a playoff spot.

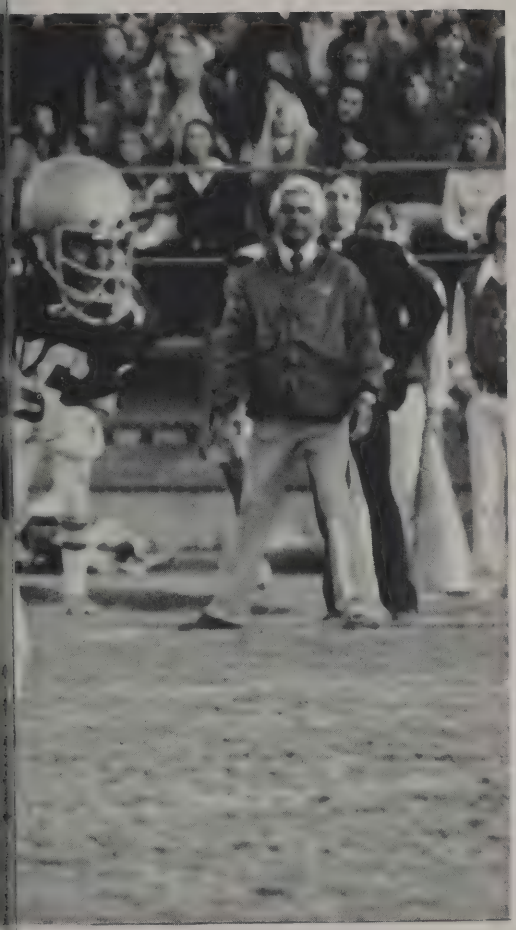
Brightens Tigers' Playoff Hopes



(Below) Ken Murphy rushes through for a 14-0 Tiger victory.

With the season two-thirds over, the Morse Tigers returned home ofr their big event — the ninth annual Homecoming, 74-75. Holding a 6-2 homecoming victory record, the Tigers stretched it to seven victories by defeating the Saints from St. Augustine High, 14-0, in a very crucial game for both teams.

The Saints, rated as Eastern League favorites and Number 1 early in the season stumbled and fell into the clutches of the Tigers, in a game that keeps either team in contention for the playoffs. In last year's meeting between these two teams, St. Augustine dropped the Tigers out of contention for the playoffs with a 26-22 victory.

The Tigers, entering with a 2-1 league record and a 4-2-1 overall record were underdogs by as much as 21 points to one of the toughest teams in the Eastern League.

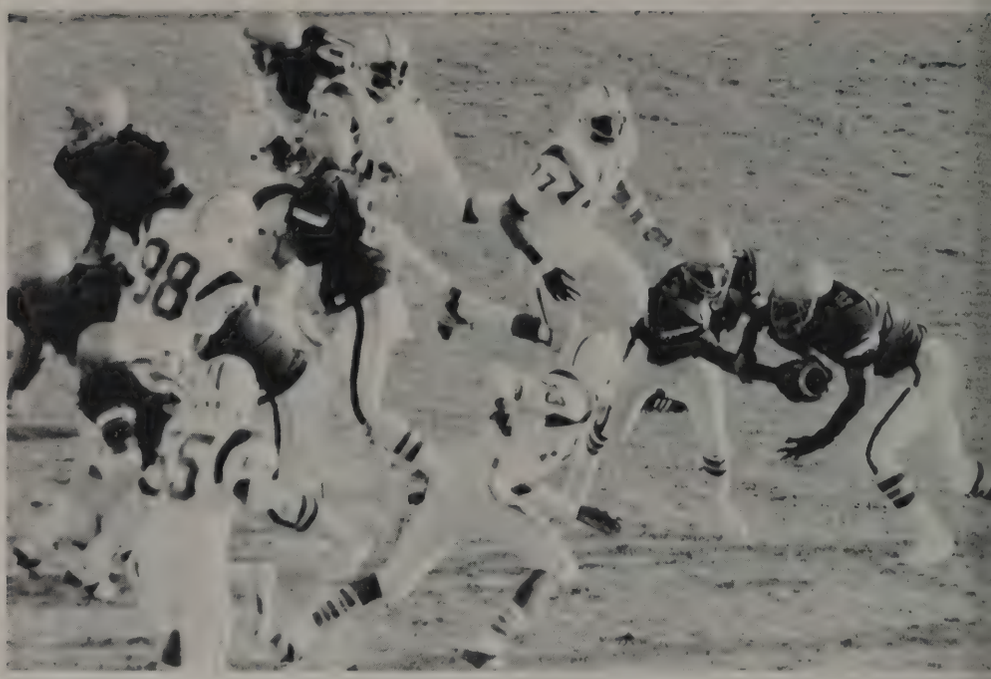
At the start of the game, the Tigers refered to the theme of Homecoming "United We Stand" and stopped the Saints. John Strong, leading rusher in the Eastern League, and one of the top rushers in the county, scored in the first quarter on a two yard run up the middle. The PAT by Juan Franco was successful and the Tigers moved ahead, 7-0.

Then, later in the secnd quarter, Ken Murphy ran 15 yards for a touchdown to the Tiger's lead. The PAT by Franco was good and the Tigers opened a 14-0 lead at the half.

The music of the marching band, parading of floats and the crowning of the 1974-1975 Homecoming Queen, Miss Benita Amos, highlighted the festivities of the halftime show.

As the teams returned on the field, the Tigers battled the Saints to a scoreless second half. Thus upsetting the Saints, the Tigers' playoff hopes were narrowed down to one victory in the remaining two games against Arch-rival, Lincoln Hornets and Number 2, Patrick Henry.

John Strong carries the ball for his third touchdown.



Quarterback Raymond Mason hands off to Eddie Ford, who rushes through the Hornet's line.

CIF Bound Tigers Crush Hornets, 43-0!

In a game that involves arch-rivalry, a team's record, talent, and game plan is all irrevelant. The tension of arch-rivalry is present and the unexpected is usually expected.

The "Ghetto Bowl" as so commonly called by both schools, Morse and Lincoln Highs, is one of the oldest rivalries in San Diego county.

Despite Lincoln's advantage in the series, the Tigers continued their pursuit for victory by destroying the Hornets with a 43-0 rout.

The game being played at Morse, the Tigers scored in all four quarters. The first quarter opened up with a 12 yard run by John Strong and the extra kick by Juan Franco to give a 7-0 lead.

By the end of the half, the Tigers increase their margin to 23 points. John Strong, scoring four touchdowns, rushed for 114 yards including a 79 yard kickoff return early in the third quarter.

Twenty more points in the second half by runs from John Strong, Delvin Barnett, Ken Murphy, and PAT by Juan Franco crush the Hornets 43-0.

With the victory, the Tigers are in the playoffs and now seek a possible Eastern League Title when they intangle the tough Patriots at Patrick Henry.

Patriots Shocked as Morse Ties!

Linebacker Toney Ash halts Patriot runner as Morse upsets Patrick Henry with a 22-22 tie.

The final game of the season matched the Morse Tigers against the Patrick Henry Patriots. The Eastern League title was in reach of the Tigers, as Patrick Henry had already clinched at least a tie.

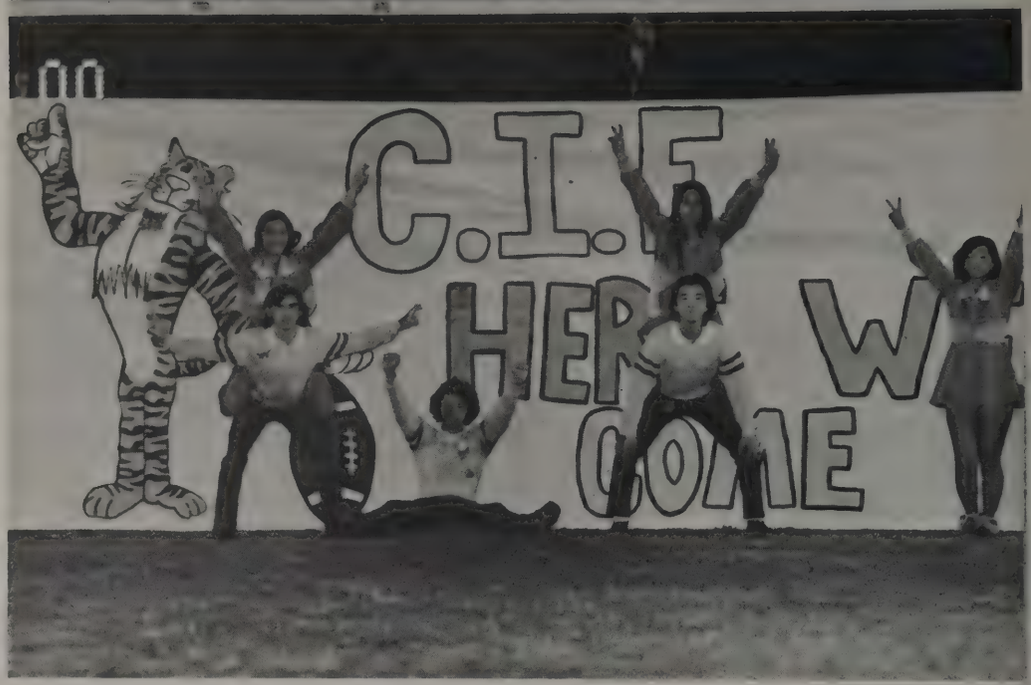
The Patriots, ranked as high as number one in the county, boasting an undefeated record of 8 wins and losses. The Tigers, posting a 5-2-1 record, including three consecutive shutouts, determined to ruin Patriots homecoming game.

On the opening kickoff, Ernie Strong jolted the ball from a Patriot and the Tigers received possesion of the ball near their goal line. Several rushing plays later, Ken Murphy ran 6 yards into the end zone and the Tigers drew the first blood. The PAT failed and so the Tigers led, 6-0.

The Patriots finally scored in the second quarter on a 3 yard run and later on a 4 yard run. Suddenly the Tigers fell behind as the scoreboard showed a 14-7 Patriot lead at halftime.

The second half opened and on the opening kickoff, John Strong scrambled down field and the Tigers tied the score at 14-14.

Morse moved ahead on a 2 yard run and took a 22-14 lead. Out of desperation the Patriots scored and tied it at 22. Time ran out and the Tigers upset the Patriots and now headed for the playoffs with high hopes.



Penalties Hurt Tigers As Trojans Advanced

The Tigers represented the Eastern League's third place team with a 3-1-1 league record and one of the county's top teams with an overall record of 5-3-2. As the third place finisher behind Patrick Henry and Crawford, the Tigers were matched up with the Metropolitan League Champs, Castle Park Trojans, who were boasting a 9-0 record.

The first round playoffs were scheduled for a night game with Castle Park having the home field advantage. Both teams, considered as top contenders for the CIF title, rated the game as a toss up. 6,000 fans attended to watch the two teams battle it out.

Morse, being well disciplined throughout the year, had its problems as the Trojans capitalized on the Tigers' mistakes. Being penalized 15 times for 114 yards, most of those coming in crucial situations. Castle Park dominated the game as the Trojans were led to a resounding 28-7 win.

Penalties hurt Morse from the start. Offsides on the opening kick-off, the Trojans scored on a 79-yard kick-off return on the second try. Castle Park ran up a 21-0 halftime lead and continued on to the second half.

The Tigers, not once being shutout all season, pushed for its pride. With less than two minutes remaining, John Strong rambled 30 yards to complete the final scoring of the game.

Despite the lost, the Tigers looked back on a very successful season as the fans were proud to hold one of the finest teams in the county. Though hopes of the county title ended, returning lettermen brighten the hopes for next season as the Tigers considered themselves as strong contenders for next season's CIF title.

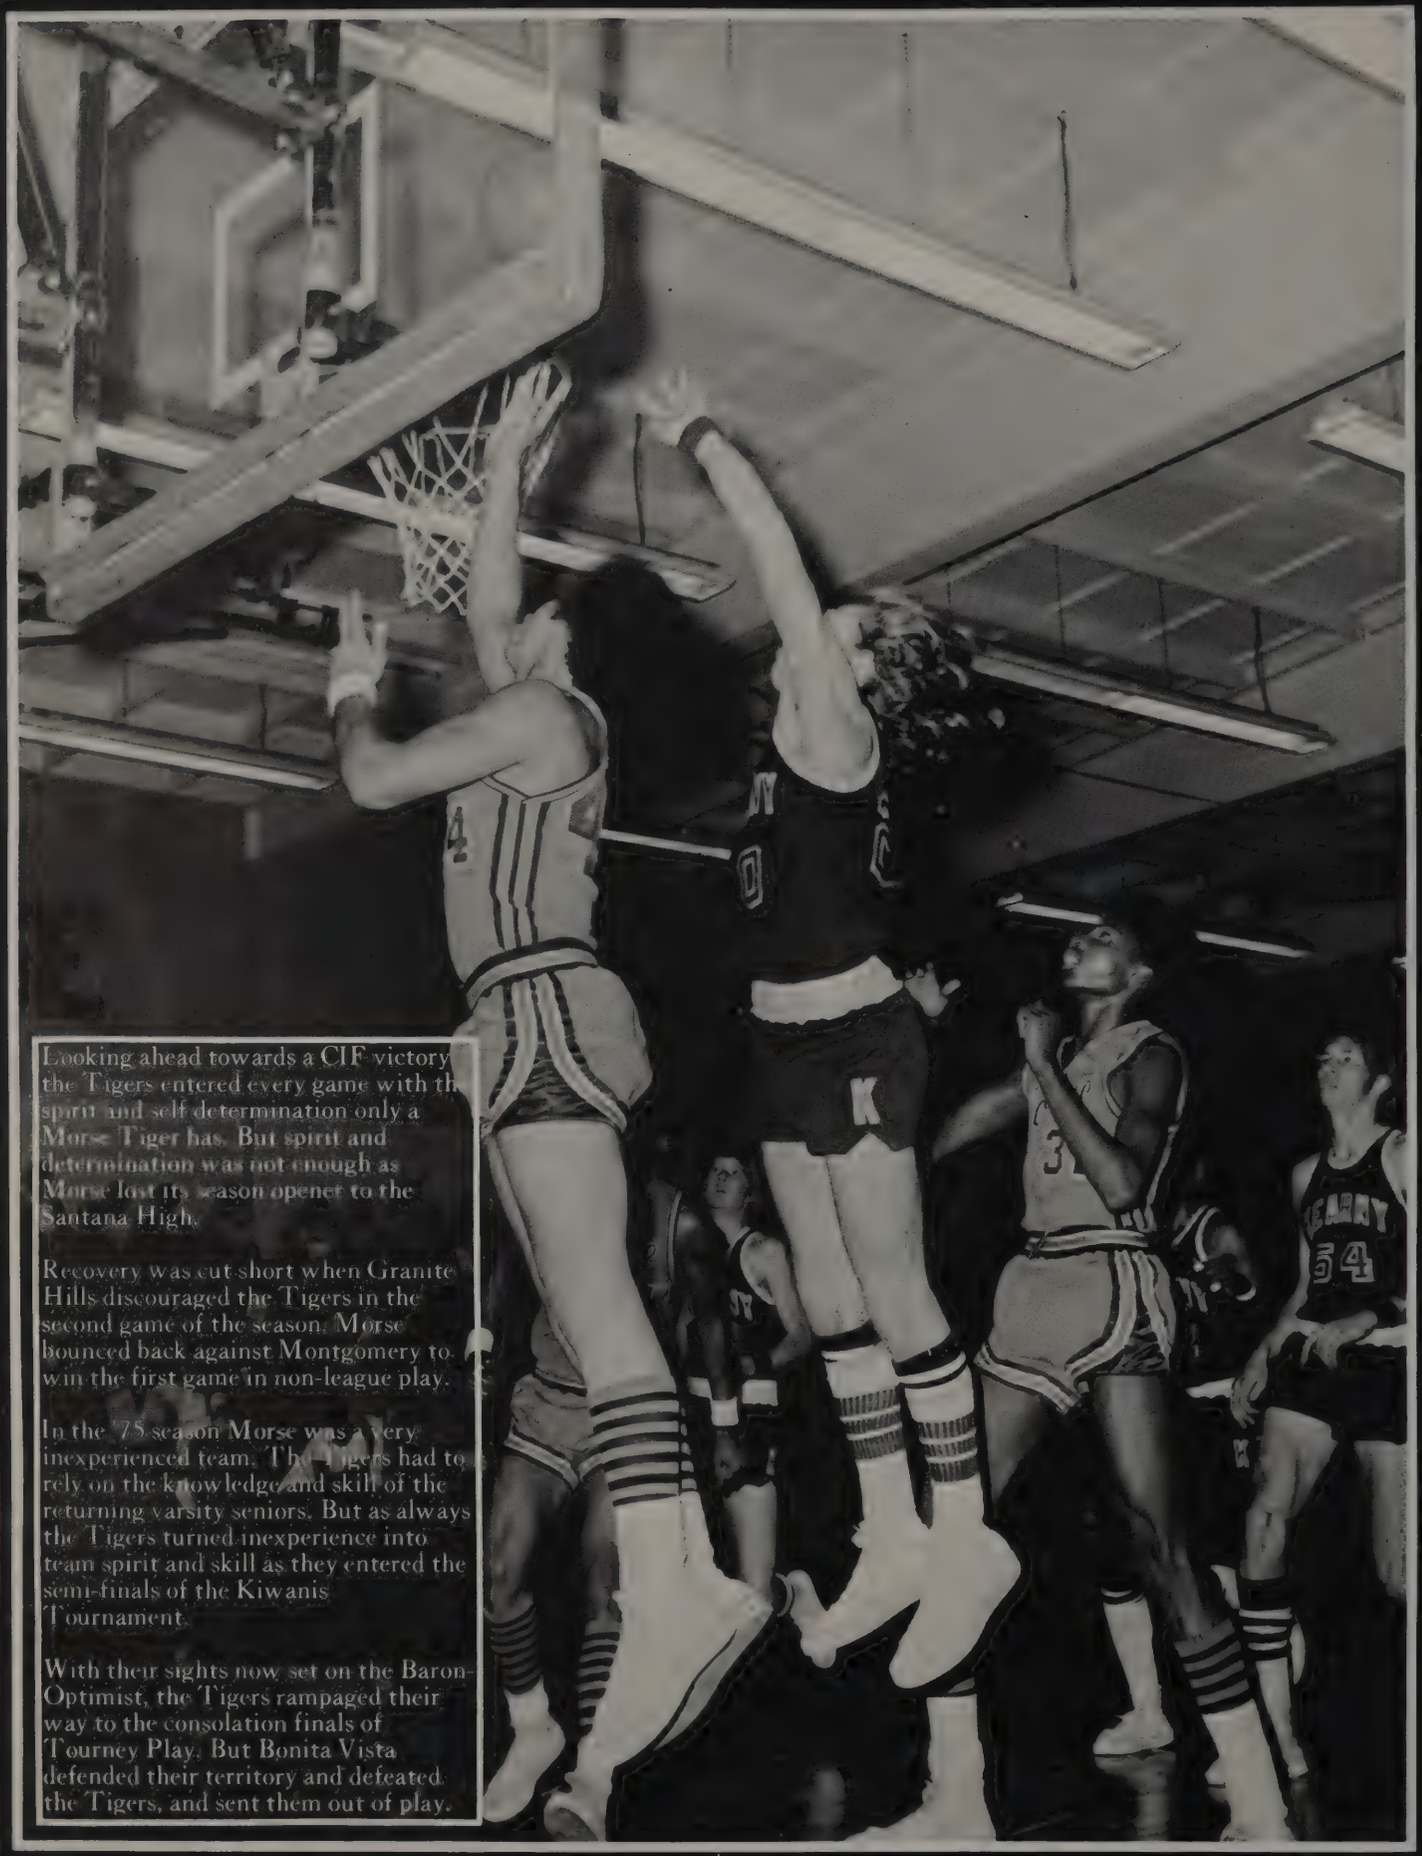
How About You?



Looking ahead towards a CIF victory the Tigers entered every game with th spirit and self determination only a Morse Tiger has. But spirit and determination was not enough as Morse lost its season opener to the Santana High.

Recovery was cut short when Granite Hills discouraged the Tigers in the second game of the season. Morse bounced back against Montgomery to win the first game in non-league play.

In the '75 season Morse was a very inexperienced team. The Tigers had to rely on the knowledge and skill of the returning varsity seniors. But as always the Tigers turned inexperience into team spirit and skill as they entered the semi-finals of the Kiwanis Tournament.

With their sights now set on the Baron-Optimist, the Tigers rampaged their way to the consolation finals of Tourney Play. But Bonita Vista defended their territory and defeated the Tigers, and sent them out of play.

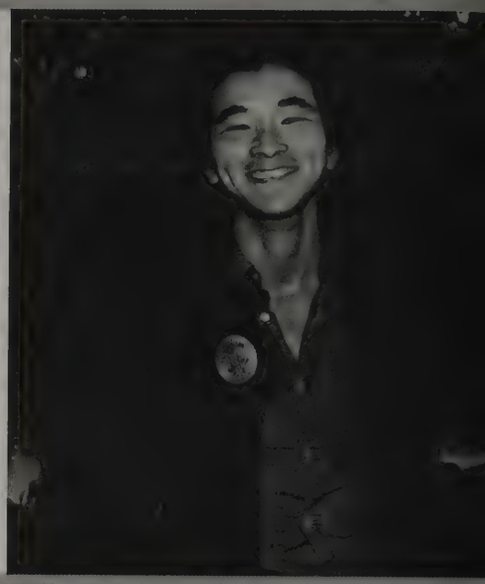
Japan, Norway Represented At Morse

Caroline Stotvig was brought to Morse from Norway through the Student International Service of Europe. Caroline comes from a small farm community south of Oslo.

Caroline's host family are Mr. and Mrs. James Coon of Paradise Hills. Caroline, who enjoys tennis, swimming and being around people, finds that the students of Morse are much the same as in Norway. A friendly, fun-loving person, she always has a smile for everyone.

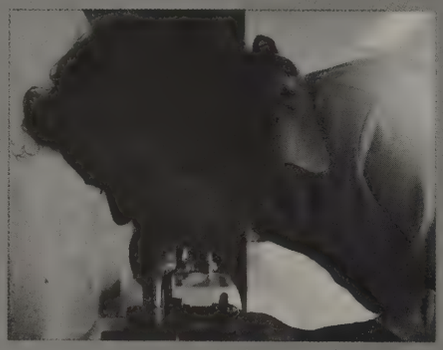


Tokyo, the capital of Japan, is where one of Morse's foreign exchange students, Yoshiro Yoshida was born. He will graduate from Morse with the class of '75.

Yoshiro lives with his mother, grandmother and aunt in Japan. His mother manages an inn which his family owns. It is called The Yoshida-So Inn.

Hiro is also a Morse High Varsity Cheerleader. He is also involved in choir and drama, which are his favorite classes.

After his year at Morse, Hiro hopes to continue his studies here in the States.



United Bumps!?

"Dogpatchland" Comes Alive At Haystack Hoedown

Bales of hay transformed the gym into "Dogpatchland" when the Senior Class sponsored their first social event of the year, the Haystack Hoedown. This event, usually sponsored by the Girls' League, was held on Octobr 25th from 7 p.m. to 10 p. m.

Students, dressed in hillbilly attire, cutoffs, overalls, socks, tattered shirts, and bumped to the sounds of Herbie Hancock, Ohio Players, Kool and the Gang, and many other groups. The records were provided by members of the Senior Class.

Highlights of the dance were the marriage booth, featuring Preacher Carroll, the apple bobbing booth, and a raffle for door prizes plus a check-a-shoe booth. A turn out of 250 students made the dance a great success!

See those hitches in their skintight britches

Ugh! I think I bit a worm!

Marching Harmonizing

The Morse Tiger Marching Band has participated in many exciting events this year. Skating Parties, dances, and picnics weren't even half the fun. Band Night, Mother Goose, Various Christmas Parades and even the County Christmas Tree decorating contest were some of the events they participated in. Besides those there were Competition Parades which required a lot of work. Together they have become a moving unit representing our school and we are proud.

United We Stand - Homecoming

"United We Stand", the theme of Homecoming '74, brought many alumni back to Morse on November first to watch our might football team crush the Saints by a 14-0 score. The annual football game and dance highlighted a week of excitement and anticipation for all Tigers.

During the week, students dressed up according to the theme of the day. The overwhelming number of participants showed the Mighty Tiger Spirit.

Monday: Mafia Day— Everybody dressed up in the spirit of the "Roaring 20's," including gangsters and gun molls.

Tuesday: Nostalgia Day— Everyone remembers the "Happy Days" of hot rods, bobby sox, and leather jackets.

Wednesday: Little People's Day— All dressed up like little girls and boys. It was the days of Kindergarten.

Thursday: Halloween— The Junior Class sponsored a Haunted House. People dressed up as witches, monsters, and would you believe, pumpkins?

Friday: Homecoming Day— Spirit was the theme as students came to school dressed in blue and gold. Alumni cheerleaders came for the lunchtime pep rallies.

Week '74

Queen Benita And Homecoming Court '74

Benita Amos was crowned Homecoming Queen for 1974 on November 1st at halftime of the Homecoming game. (We played the Saints.) The other members of the Homecoming Court were Little Miss Homecoming, Ms. Spirit, and Mr. Spirit.

Senior Attendants were Leona Hamphill and her escort Ricky Carroll, and Bennie Johnson With her escort Ellis Ruffin.

The Junior Attendant Theresa Page was escorted by Greg Carroll. The Sophomore Attendant Denise Carroll was escorted by Jerry Brooks.

This years Little Miss Homecoming is Theresa Blackwell, who was escorted by John Keys. Ms. Spirit, Rita Boykins, was escorted by Jerry Kennedy. Mr. Spirit, Tito Rodriguez, was escorted by Mayde Wong.

"Soul Patrol" at Homecoming '74

This year's Homecoming dance was held on November 1, 1974 in the beautiful Copper Room at the Community Concourse, from 8:00 p.m. to 12 midnight. Quite a few students attended the dance as well as alumni students returning to see old acquaintances. Music was provided by the soulful sounds of "Soul Patrol". The dance was sponsored by ASB and refreshments were donated by Les Tigres.

Teachers Sponsor Curriculum Faire

On November 6, the Morse High Faculty sponsored the Curriculum Faire. This 80 minute long lunchtime affair gave students a chance to see what classes are being offered at Morse. The teachers set up various booths of each department of study (such as: the Math Department, Art Department, Science Department, etc.). At these booths, students themselves exhibited interesting projects and lessons showing what the classes are all about. Morse is fortunate to have many different classes ranging from college credited, Calculus 35A to an Auto Mechanics for the young ladies. Also on hand for our music listening pleasure was Morse's Jazz Ensemble and Choir.

Mighty Tigers

Tigers know we're for you always
For you now until we die
We will sing and cheer you onward
Raise our banners to the sky
Praise the glory of our heros
Shout them on to victory
Fight on you mighty Tigers
Mighty Tigers we're for you!

The words of Morse's Fight Song summed up the spirit and emotions of the 1974-75 Varsity Cheersquad. With booster posters, beat ribbons, pom-pons and megaphones, ribbons decorating the school, and pep rallies, the cheerleaders, songleaders, and mascots provided the spark of enthusiasm needed to inspire the crowd and the athletes to victory at the football and basketball games.

This year's songleaders included Joanne Daligdig, Cookie Wallace, Head Songleader: Benita Amos, Vicki Kendall, and Madye Wong. The cheerleaders were: Bobby Jorge, Head Cheerleader; Yoshiro Yashida, Raul Ramon, and Tito Rodriquez. The spirited mascots were Connie Williams and Leona Hamphill.

Cheersquad remembers: summer practices at Potomac Park; hunting for uniforms; problems finding cheerleaders; finding someone to replace Monica Alfaro when she left; daytime football games; planning pep rallies with the help of Les Tigres; bumping at the Tiger Dens; the oldies at the Senior Play; CIF football against Castle Park; "... Get up for the "Tigers" — everybody get up!"; the thrill of victory and the agony of defeat.

The Cheersquad's pep and enthusiasm made the sports events fun and memorable, and as the last game of the year ended, a moment of sadness reigned as an enthusiastic finale was sung by everyone ... "Mighty Tigers we're for you!!"

We're For You

"Spirit" Let's Hear It!

The J.V. Cheerleaders for '74-'75 showed their spirit and enthusiasm at the J.V. football and basketball games. Their spirit was fantastic. This year's spirited J.V. Squad included: Head Cheerleader — Debbie Abbott, Sylvia Granillo, Diana Kendall, Teresa Martinez, and Donna McTier. Victory or defeat, no matter what, J.V. kept up their spirit and enthusiasm.

Pep Rallies Tiger Den

Mascot Connie leading the cheers on the microphone.

"We're the class of '75 . . . "

Every Friday at lunchtime, you'd find students heading down to the amphitheatre. And what goes on there? It's either a Pep Rally or Tiger Den. (Thanks to ASB we were allowed to have this Friday event).

The Pep Rallies are sponsored by the Varsity Cheersquad. Every other week they have a half-hour filled with cheers, unusual skits, pep talks, and class competition chants to boost Tiger spirit at the oncoming game.

When there is no Pep Rally, then it's a Tiger Den. Here, students are given a chage of pace from teachers, books and desks. They come down to dance or just to kick back and enjoy the music. On some occasions ASB was able to obtain bands like Soul Patrol, Devotion, or New Dynamics to play for us.

"Ready fellas? A one and a two . . . "

Having a good time.

"All hail our alma mater . . . "

Marching Band Sets World Record

On January third at 6:00 a.m., the Morse High Marching Tiger Band Commenced to break the world record for the longest hours of band rehearsal. Ready with food, sleeping bags, pillows and a Monopoly game, the one-hundred member band survived the twenty-five hours needed to break the world's record formerly set by Patrick Henry High's Marching band exactly one week earlier. The Band Parents donated the food; spaghetti, chili beans, chicken, and cakes. Channels 8KFMB, and 10KGTV and the Union-Tribune Newspaper provided the news coverage. An enthusiastic "When The Saints Come Marching In" and the "Fight Song" marked the end of the long and tiresome ordeal.

Wrestling and Soccer Cheerleaders

This is the first time that the Wrestling Team has had their own cheerleaders. From the results you can see they have done a good job.

This year the Soccer team is being inspired and supported by a very good cheersquad. Led by Tabita Coronado, the cheersquad was one of the best ever.

Wrestling Cheersquad: (first row) Glenda Shelly, Shirley Griffin, (Headcheerleader) D.C. Wilson. (second row) Debbie Edwards, Adrina Glover, Pat Horne, Gloria Butler.

As the buzzer announced the end of the first half of the Kearny-Morse Basketball game, the shuffle of marching feet could be heard as the crowning ceremonies of the 1974-75 ROTC Queen began. The ROTC Fancy Drill Team, headed by Bernard Deleon, displayed their intricate steps and complicated routines to the crowd. Senior Debbie Edwards was crowned as the 1974-75 ROTC Queen. Her attendants, Junior Anna Montano, and Sophomore Kathy Murray, were each presented a cape and a bouquet of flowers.

Morse Night At The Rink

Tuesday, January 28, was Morse Night at Sweetwater Skating Rink. The event, sponsored by the Tiger Band was filled with fun, falls, and excitement. The more experienced skaters turned it into Roller Derby-Morse Style, accompanied with races and fancy footwork. Others tried the Bump on skates and a skater's "Soul Train". The night was successful with a turnout of about 200 people.

"Just rollin' along . . . . "
singing a song . . . . side by side.

January 29 marked the beginning of Basketball Homecoming Week. This event, the first of its kind in Tiger History, gave recognition to the mighty basketball team. The week began with skates, skateboard and piggyback races sponsored by Les Tigres. Gary Phillips glided into first place in the skateboard race. Piggybacking to the top were Josie Romualdo and Tito Rodriguez. The winners were awarded cakes, custom baked by Les Tigres. Rainy weather did not discourage the Volkswagen race on Thursday. It was the race of the year—Juniors vs. Seniors. Many participated in the push. Although the seniors showed their spirit and enthusiasm and kept up the fight for first, the Class of '76 came out on top.

. . . the thrill of victory, the agony of defeat!

. . . fight on you Mighty

On Friday, the Varsity Cheersquad sponsored a Homecoming Pep Rally where alumni cheerleaders were invited to attend. Les Tigres performed a very enjoyable skit, "The Littlest Basketball Player." Many students attended the rally making the week a real success! During the Homecoming Game against Hoover, the alumni cheerleaders continued to show their pep and enthusiasm for the Mighty Team along with this year's squad. Many Tiger fans attended the game and expressed their spirit throughout the game. Just as the buzzer rang, Morse Tiger Marching Band started the halftime show with pride.

"If you're happy and you know it, then your face will surely show it, if you're happy and you know it clap your hands."

On January 23, Charles King, the renown spiritualist visited the Tigers at a special fourth period assembly. The amphitheatre was filled to capacity as Charles King rendered unity through his songs. Several students, Loretta Reid, Hiro Yoshiro, Tony Anthony, and Wanda Clark, were asked to help Mr. King in his arrangement of "It's me, it's me, it's me oh Lord."

The crowd joined in the fun and singing. In Mr. King's words, Morse was, "one of the most together schools" he had ever been through.

This year's nursing aid class consistes of several young ladies and one young man. They strive to learn the nursing trade and spend a lot of time helping around the hospital.

Every Monday through Wednesday they spend lunch through seventh period at the hospital. The students learn how to take blood pressures and use a stethoscope. They learn how to do many other jobs and feel right at home in the hospital.

The nursing aid class is not all fun. They have to stay on campus on Thursdays and Fridays. They are in class sixth and seventh period doing written work to perfect their skills and to learn anything they may have missed at the hospital.

The class is very fine and all the students will probably make good nurses sometime in their lives.

Campus Life Alive And Well

Campus Life is an organization here at Morse that involves no membership or dues. The meetings are every other Tuesday and are concoctions of being fried on the electric chair, having everyone see how uncoordinated you really are, and getting covered by chocolate dipped marshmallows.

On the off-weeks Insight is held. In Insight is the serious side of Campus Life, which provides Christian influence and developes spiritual awareness. The directors are Jim Shultz, Charlene, Dick and Benny Sanchez.

People come, experience, and in most cases enjoy.

Get a shock out of life!

This is Campus Life?

Restaurant Operations was one of the most enjoyed classes of the occupational arts. The students of this class produced many fine foods that many teachers, administrators, and school visitors enjoyed along with a few lucky students.

The students in this class are there to get experience in the restaurant business. Many of them will surely go into some form of food preparation, even if it isn't in the restaurant business.

The teachers realize how lucky they are to have their very own restaurant, and have a choice between that and the cafeteria. This is a privilege that the students are not lucky enough to enoy, which is what the teachers do at the restaurant, Enjoy.

They do this by having dinners with foods of other nations or they will present these foods to the student body by means of the various fairs that we often have during our lunches.

The members of this club also have other ways of getting in touch with other cultures. One of these is having foriegn people (who the sponsor, Mrs. Ann Foster, seeks out) come and talk to the club. The members of this club get much out of this club, one benefit is a widening of their horizons.

Model U.N.
Politicians Of The Future

Model United Nations is a club formed by the students who each year participated in the Model U.N. held at S.D.S.U. The Model U.N. is made up of schools from all over Southern California. Some as far away as San Jose.

Each school represents from one to nine countries depending on the size and interest of that school. Each delegation of the school studies about the country they represent, and find out what are its needs and who are its allies.

Then in March the students meet with the other schools, and have a mock U.N. meeting. This meeting has lobbying, coersion, and on some occasions mock wars are declared.

This year Morse represented five countries: U.S.S.R., Egypt, Tanzania, Panama, and Norway. All the students involved are interested in Politics or Forensics, and they get plenty of practice in both.

Annual Staff Says "Thank You"

The Thank-you page is designed to give special recognition to those, outside of the Annual Staff, who helped the most with the '74-'75 Key. These people did different things, such as, letting students on the staff out of class during the hectic "Deadline" days, and furnishing us with helpful information, so we can finish in time for the "deadlines". We appreciate everything they have done for us. We dedicate this page to these special people. A great big "THANKS" from the '74-75 Key Annual Staff.

Mrs. Toth, the financial secretary here, at Morse, has been exceptionally helpful to the Annual Staff this year. She has helped by selling annuals during pre-sale, training business managers and helping with financial records of the Annual Staff. $1,000.00 Staff Creates Annual!

The Key '75 Staff did an almost impossible job this year. They worked from 7:00 a.m. 'til 7:00 p.m., eating on the run and making last minute changes. They're used to having Elena yell, getting nowhere and just trying to survive. This $1,000.00 Staff did an excellent job, making this book the biggest and best in the city. The Key '75 Staff members may have flunked all of their other classes, but they put this year's annual out. This staff is the first in Morse's history to sell more than $1,000.00 worth of ads. Counselors

Program changes, conferences with students as well as parents, are just some of the things our counselors go through. They discuss problems of students and try to help solve them.

The addition of a head counselor aided not only the administration, but his fellow counselors as well. They have also shown their tiger spirit by both helping in and planning many of our Football games, Basketball games, and other school activities.

The Morse High School Career Center is designated to provide students with exposure and orientation to career information, counseling, self-appraisal and awareness of training and educational programs. The center is organized to facilitate student self-help in exploring the requirements, working conditions, and future possibilities for employment in different careers.

Electives

ROTC has been for individuals who can take challenges in a different form or life style. Mr. Brown has always done well to keep a good reputation for Morse High.

The Fine Arts classes this year has given the students a chance to be creative both inside and outside the classroom.

The beach was the main area where they were able to express their creative skills.

The Industrial Arts classes have brought much interest not only to the young men, but also to the young ladies. Just this year an Auto Mechanics class has added a class for girls.

Our Guitar classes have involved many students in learning the basic and up to the more advanced students.

The Foreign Language Department has always showed their working spirit to contribute to the ethnic fair, which was fantastic!

The Math Department encourages advanced learning in mathematics. College bound students need to go through intermediate algebra, and hopefully trigonometry, and an introduction to calculus.

We have surveyed colleges and found an increased emphasis on mathematics. To better meet the needs of our students we have developed a bridging math course for summer participants. The purpose is to enrichen and strengthen students mathematical background.

The physical education course is required for young men and young women, however students are urged to choose the activities which they will enjoy most when they register for class.

After 3 years the men's athletics can now afford to purchase a Universal Gym. They acquired this weight set by selling to the student body candy bars, beat ribbons, and the Tiger football pins. They were supervised well under their coaches. The gym can be used by both men and women.

The People Behind the Scenes

The year 1975 has been completed with the operation of these people that perform everyday for the school. Without these men and women, Morse wouldn't be a complete school, yet few realize this until the need for their services arise. These people, we can truly say, give us service with a smile.

Mr. L. Thomas came to Morse at the semester as our new Vice Principal, replacing Mr. George Frey.

When Mr. Thomas first arrived at Morse he said "My job is to assist students in having meaningful and effective school experiences to help them". Even though being new to Morse, Mr. Thomas fullfilled this. Students immediatley sensed Mr. Thomas' warmth and sincerity, and thus responded positively.

Getting all your adventure from TV?

Instead of getting your excitement from watching the exploits of others, you could be having some of your own.

By driving a tank. Or jumping out of a plane. Or learning to sleep in the rain.

Or by learning a job you never thought you could do. Or doing a job you never thought could be done. Or going places you never thought you would go.

Or simply by putting on a uniform and getting satisfaction from an old-fashioned feeling that you're doing your best in the service of your Country.

Join the people who've joined the Army.
